

#DetransAwarenessDay

March 12, 2022

We are **Detransitioners** and **supporters of Detransitioners**,
who are **gathering city by city** in a show of **solidarity**.

They've said that we **don't exist**.

They won't acknowledge our unique needs for **health care & therapeutic support**.

We want to demonstrate that we are legion. And that we are not **going to go away**.

HERE IS HOW:

1

HIT THE STREET (OR YOUR DRIVEWAY)

- Gather some allies and show your support in a visible public place (Landmarks, shopping centers, libraries);
- Or just stand on your front lawn with a sign & or T-shirt (do not need to show face)

Our goal is **50** cities

TAKE PHOTO OR VIDEO AND POST TO SOCIAL MEDIA

- Find a good spot to take pictures or video of you with your signs or T-shirts.
-
- A) Post on your social media with the following hashtags:
- #DetransAwarenessDay
 - #Canaryinthecoalmine
 - #DetransitionAwarenessDay
- B) Text to 650-934-1155 or email to Charliejacobs@protonmail.com letting us know your city/town. We will be counting all the cities and towns participating

Our Goals for this important day:

- Raise Public Awareness of the **growing number of detransitioners** (debunk the narrative that detransition is rare)
- Highlight the **harm** being done by "**affirmative care**" from schools, therapists and doctors
- Create a highly visible **US-wide event** to showcase via the media
- Uploaded to our dedicated Youtube channel (new)
- Let the world know - Detransitioners are everywhere and we stand with them
